Electronic Device Parent Permission Slip

Dear Parents,

In an attempt to keep up with current technology, we are very excited to offer your child the opportunity to bring from home a Kindle or Nook (e-reader) to read books. Please read the rules below and sign and return the permission slip with your student(s).

- The student will be responsible for taking care of the electronic device and only use it for intended purposes *in the classroom only*.
- The student may NOT access the internet from their personal electronic device.
- The student can only use the electronic device in **approved** classrooms at school (not in the cafeteria or hallway).
- The student is not allowed to share or loan his or her electronic device with other classmates.
- St. Catherine reserves the right to look at the contents of a student’s electronic device at any time.
- **St. Catherine Academy personnel will not assume responsibility for damaged, lost or stolen items.**

Failure to abide by these rules will result in the student’s loss of privileges and may result in disciplinary action. Privileges will be restored at the administrator or teacher’s discretion.

My child and I have discussed this agreement and we agree to abide by the rules of the program.
